Coleby Lombardo, ICADC, CADC-II, has been working in the field of addiction for nearly 12 years, specializing in the treatment of adolescences, young adults, and family members. He has provided outreach to nearly a quarter of a million students, parents, and staff at our local middle and high schools. He has worked for a local intensive out-patient program for the last several years and continues to see clients though his private practice, Vin' Ash Coaching, named after his son Vincent and his daughter Ashley.
