

UNBIND, LET GO!

Based on John 11:44

From His declaration in the synagogue, to His encounter with Lazarus, to His plea from the cross, Jesus' life implores us to
PURSUE FREEDOM OVER CAPTIVITY

Why do we so often restrict ourselves to what is familiar, when the call of the Gospel is to a life beyond the boundaries. During the evening we will look at four themes; cultural captivity, the danger of indifference, the call to risk, and the ultimate liberation that comes with initial failure.

Unbind, let go and come to an evening of laughter, tears & challenge, where together we might discover that a real adventure is waiting for us...beyond the boundaries!
